

Stormy Stars

Project Size: 27" x 27"

Companion Pattern for Marie Bostwick's book *The Promise Girls*.
Quilt Designed by Deb Tucker, Studio 180 Design, Ltd.

The Emerald City on the Sound is where the lives of the three Promise Girls get off to a stormy start. As secrets and truths are revealed, the turbulence of their lives calms, giving way to smooth sailing. To make your own version of Stormy Stars to go with your new favorite book, *The Promise Girls*, you will need to choose three similar light greens, two dark blues, and a white. We can't wait to see how your Stormy Stars quilt comes to life.

Follow the piecing order on the paper foundations to piece your units. The above diagrams are labeled to correspond to the paper foundations, position your fabrics on the corresponding number on the foundation to ensure that you get your fabrics in the correct positions. Also, make sure you print using "actual size" rather than 100% or "fit to page". If you do not print using Actual Size the foundations will not be the correct size. For the borders cut 4 squares 3 1/2" x 3 1/2" for the corners and 4 rectangles 3 1/2" x 15 1/2" for the sides.
